- Have robust governance arrangements in place, to facilitate informed decision making, supported by appropriate advice, policies and strategies, whilst ensuring compliance with appropriate legislation and statutory guidance;
 - Manage the Fund in a fair and equitable manner, having regard to what is in the best interest of the Fund’s stakeholders, particularly the scheme members and employers;
 - Continually monitor and manage risk, ensuring the relevant stakeholders are able to mitigate risk where appropriate; and
 - Administer the Fund in a professional and efficient manner, utilising technological solutions and collaboration.

 - Minimise the chance of destruction of evidence;
 - Maximise the chances of success in future sanction action, including criminal prosecution
 - Minimise adverse publicity

4. Effective date

4.1 This Policy was approved by the Pension Fund Committee on 20 October 2017 and is effective from 21 October 2017.

5. Review

5.1 This Anti-Fraud and Corruption Policy is expected to be appropriate for the long-term but it will be reviewed annually, and if necessary, more frequently to ensure it remains accurate and relevant.

6. Scope

6.1 This policy applies to -

- members of the Pension Fund Committee;
- members of the Local Pension Board;
- employers of the Fund;
- relevant stakeholders to the Fund;
- professional organisations that provide services to the Fund (e.g. Custodian, fund managers); and
- professional advisors.

Officers of the Fund and County Councillors are covered by the LGSS Corporate Anti-Fraud and Corruption Policy.

7. Culture

7.1 The administering authority promotes a zero tolerance approach towards fraud, corruption and other malpractice for personal gain. Dishonesty, lack of integrity avoidance of controls and failure to comply with agreed policies will not be tolerated.

7.2 The prevention/detection of fraud/corruption and the protection of the public funds are everyone's responsibility and of paramount importance to the authority.

7.3 Concerns must be raised when members or employees reasonably believe that one or more of the following has occurred, is in the process of occurring or is likely to occur:

- a criminal offence;
- a failure to comply with a statutory or legal obligation;
- improper unauthorised use of public or other funds;
- a miscarriage of justice;
- maladministration, misconduct or malpractice; and/or
- deliberate concealment of any of the above.

7.4 The Council will ensure that any allegations received in any way, including by anonymous letters or phone calls, will be taken seriously and investigated in an appropriate manner, subject to the requirements of the Human Rights Act 1998 and other statutory provisions. The administering authority will deal firmly with those who defraud the Council, or who are corrupt, or where there has been financial malpractice. There is, of course, a need to ensure that any investigation process is not misused and, therefore, any abuse (such as raising malicious allegations) may be dealt with as appropriate.

7.5 When fraud or corruption have occurred because of a breakdown in systems or procedures, the administering authority will ensure that appropriate improvements are implemented to prevent a reoccurrence.

8. Statutory Duties

8.1 The Head of Internal Audit – The Head of Internal Audit has a duty to monitor instances of financial irregularities within the Council as a whole, and to report certain details to external bodies, such as External Audit. The Head of Internal Audit also has a duty to ensure that appropriate investigations are carried out.

8.2 Section 151 Officer – Under section 151 of the Local Government Act 1972 and Section 73 of the Local Government Act 1985 the Section 151 Officer has a statutory duty to ensure that there are proper arrangements in place to administer the Council's financial affairs (as the administering authority).

8.3 Director of Finance – The Chartered Institute of Public Finance and Accountancy (CIPFA) statement on the role of the Chief Finance Officer/ Director of Finance (CFO) lists one of the CFO's core responsibilities as 'implementing appropriate measures to prevent and detect fraud and corruption'.

9. Deterrence

9.1 The publication of this Anti-Fraud and Corruption Policy and regularly reinforcing that the administering authority operates a zero tolerance approach will help deter those considering perpetrating fraudulent activity.

9.2 Where any loss is incurred to fraud and corruption the administering authority will take action to recover monies owed.

9.3 Managers are expected to conduct risk reviews of the systems and procedures for which they are responsible and proactively update where weakness has been identified.

9.4 Pension Fund Committee and Local Pension Board members receive regular reports on Internal Audit activity and these will include summary details of investigations into allegations of fraud and financial impropriety.

9.5 After an investigation, sanctions will be applied where fraud and corruption are proven to be present. This will be done in a comprehensive, consistent and proportionate manner whereby all possible sanctions – disciplinary, civil and criminal are considered. For elected members this will include the sanctions available for breaches of the Members' Code of Conduct. The level of sanction pursued will be considered at the end of the investigative process when all evidence is available.

Or via another method deemed appropriate by the Head of Pensions. Internal Audit will conduct an annual review that is then presented to the Pensions Committee and Local Pension Board. Relevant actions will be addressed by the Head of Pensions. The Head of Pensions will be notified of any fraud cases identified and will subsequently inform the Head of Internal Audit and the Section 151 Officer for appropriate action under corporate policy within one month of escalation.
External Audit Reviews	Independent external audit is an essential safeguard in the stewardship of public money. External auditors are always alert to the possibility of fraud and irregularity, and will act without undue delay if grounds for suspicion come to their notice.	External Audit will conduct an annual review that is then presented to the Pensions Committee and Local Pension Board. Relevant actions will be addressed by the Head of Pensions. The Head of Pensions will be notified of any fraud cases identified and will subsequently inform the Head of Internal Audit and the Section 151 Officer for appropriate action under corporate policy within one month of escalation.

Democratic Services are responsible for ensuring all declarations are held on the Council's register.
