Cambridgeshire County Council, as administering authority to the Cambridgeshire County Council Pension Fund, has determined its discretionary policies in accordance with the Local Government Pension Scheme Regulations 2013 (as amended), and related legislation, and these are outlined in this statement. We will apply these policies to all members of the Pension Fund, regardless of who their employer is. Where relevant, these policies equally apply to members who left pensionable service prior to 1 April 2014 (albeit only in relation to discretions exercised since the effective date of these policies), to councillor members and to pension credit members.

The content of these policies is drafted in line with current legislation. These policies were approved by the Pension Fund Committee on 13 December 2018 and are effective from 14 December 2018, unless stated otherwise within this statement.

We retain the right to change these policies at any time as long as we republish the amended policy within at least one month of when the change(s) we are introducing came into effect.

These policies do not give, nor shall they be deemed to give, any contractual rights to any member of the Pension Fund, or to any other person whatsoever. Nothing in this document will cause the Administering Authority's capacity to exercise its discretionary powers to be unlawfully fettered or restricted in any way.

We will exercise these discretions in line with the provisions of the various LGPS Regulations and other legislation. Nothing within this statement can overwrite the legal requirements within those provisions.

We will review the policies within this statement as required in the light of future changes to the LGPS legislation or other relevant legislation. It will also be reviewed at least every three years.
